Council President Henson called the meeting to order at 5:34 pm followed by the Pledge of Allegiance

Mrs. Henson the County Commissioner has approved to reimburse the Town the price for a new tornado siren. The installation cost will not be reimbursed. Discussion was made about fixing the old siren and having two. It was decided that since the old siren is twenty years old, it would be best to purchase the new one.

Councilor Bourne spoke about back road access for emergencies. A new property owner wants to talk to the council before allowing access. It was suggested to check with Russ Johnson first to see if he will still allow access through his property.

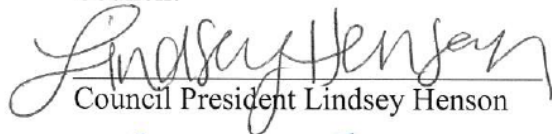

- Councilor Giger motioned to rescind the quote for Table Rock and accept the Commissioner's offer to reimburse the Town for the cost of a new tornado siren. Council President Henson seconded, motion passed.

With no further business before the Prince's Lakes Town Council, Council President Henson adjourned the meeting at 5:57 pm

Respectfully submitted,
